TRIUMPHANT SUCCESS.

CONSUMPTIVES, rememore that it is Thomson's Compound Syrup of Tar and wood Naphtha, which is daily effecting such remarkable cures in pulmonary consumption, athma, bronchitis, splitting blood, pain in the side and breast, sore throat, hoarseness, palpitation of the heart, whooping cough, eroup, nervous tremors, hives, liver complaint, decased kidneys,

Therefore beware of all spurious mixtures of Tar or Naphtha, and purchase of the advertised

agents only.

ANOTHER WONDERFUL CURE!

PRILABLERIA, April 9, 1816.

Last Awgust a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soon get rid of 10 nthe contrary, however, I deally graw worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent mater in my hungs. I became greatly alarmed; and my friends considered my situation extremely critical, the more so as loss of appetite, hectic fever, and night sweats rendered me as weak as a child, and at night the sweat literally poured of me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that I resolved to continue it. It is now six months since I ceased using the medicine, and the cure remains perfect. If irmly believe this medicine is far superior to every other remely for Consumption of the Lungs.
